

Join IEEE for an Important German & Austrian Customer Meeting in 2009

IEEE plans to hold a one-day onsite meeting in Germany with regional IEEE *Xplore* customers in early 2009. We need your input to help us arrange a convenient date and location. This full-day meeting will give IEEE customers the opportunity to provide feedback for ongoing IEEE *Xplore* developments. Please join us for this important meeting as your knowledge and expertise is greatly valued by IEEE.

WHO SHOULD ATTEND

Information professionals who coordinate IEEE *Xplore* for engineers, students, and technical staff. This is a meeting for librarians who are familiar with IEEE *Xplore* and who would like to give IEEE advice on future development.

- Engineering, Physics and Computer Science Librarians • Information Specialists • Standards Documentation Specialists
- Corporate Librarians • Faculty Liaisons to University Libraries • Directors of Libraries • Patent Specialists

BENEFITS OF ATTENDING

- ▣ Increase your understanding of IEEE and IEEE *Xplore*
- ▣ Exchange ideas about productively using IEEE *Xplore*
- ▣ Learn of proposed new features and services
- ▣ Meet with colleagues from the academic, corporate and government communities in Germany, Austria, and Switzerland

PRESENTATIONS

The conversation will be in both English and German with several bilingual participants in attendance. Program includes:

- ▣ Trends in Library Industry
- ▣ Effective Searching for IEEE Research
- ▣ Future Developments in IEEE *Xplore*
- ▣ Question and Answers from Attendees

Lunch will be served.

Please use the form below to indicate interest attending this meeting.
