

IEEE Standards Choice

IEEE *Xplore*[®] Digital Library Subscription Option

Maximize research and development with a customizable standards package

IEEE Standards are used around the world to help industries and companies open business opportunities, generate public and customer trust, build order in the marketplace and enhance safety. IEEE Standards Choice lets you build an IEEE standards subscription that's just right for your company.

IEEE Standards Choice delivers key benefits for your research team:

- **Access to new and revised standards**, including draft standards
- **Increased productivity** by having all your standards in one place
- **Real-time updates** to the most vital standards in your industry
- **Subscription packages** available to fit your company's needs
- **Collaborate and share with colleagues**

Choose standards in a variety of industries:

- Design automation
- Electromagnetic capability
- Energy development/power generation
- Health informatics/medical device communication
- Information technology
- LAN/MAN
- Nuclear engineering
- Portable applications (POSIX)
- Power transformers, distribution and regulation
- Protective relaying
- Smart grid
- Software engineering
- Switchgear
- Telecommunications
- Testing, instrumentation and measurement
- Transportation technology and many more

IEEE Standards Choice Quick Facts

Help your researchers stay current with a customizable standards package:

Predetermined download limit to choose from more than 3,400 IEEE Standards

Includes access to active, draft or archived IEEE Standards

Note: does not include access to the NESC or Arc Flash families of standards

Automatic e-mail alerts on new standards and drafts

Search standards by subject, title, designation and keywords using IEEE *Xplore*

Collaborate with the IEEE *Xplore* file cabinet

Share downloaded standards by storing them in a company-wide online file cabinet. Once each unique document is in the file cabinet, anyone in the company can access it without using another download—making it easy to collaborate and fuel innovation.

IEEE Standards Choice: Delivered through the IEEE *Xplore*® Digital Library

Access respected technology research that generates results

IEEE *Xplore* includes top-ranked journals and technology research that is cited in patents three times more than the nearest competitor. With over 2 million full-text articles and papers, IEEE *Xplore* is your gateway to more than 30% of the world's current literature in electrical engineering, electronics and computer science.

Find relevant research faster with powerful search tools

IEEE *Xplore* combines an easy-to-use interface with powerful search tools that make finding relevant research faster and more streamlined.

Search: Find the right standards easily by standards number or topic. Intelligent features such as convenient type-ahead, a functional search breadcrumb trail, and a "Refine/Expand Results" module lets you modify and find results easier than ever before.

Personalize: You can also personalize IEEE *Xplore* to create targeted saved searches and receive e-mail alerts or RSS feeds of new content updates.

IEEE *Xplore* also provides:

- Basic, Advanced & Command search options
- IP and Shibboleth/Athens authentication
- INSPEC® abstract/citation and bibliographic records
- Persistent links (OPAC)
- Weekly content updates

IEEE standards are valuable in a variety of areas, including:

- Product design
- Reference
- Compliance programs such as ISO 9001
- Purchasing specifications
- Legal & patent issues
- Safety requirements
- Maintenance
- Quality assurance
