

The ASME Digital Library

ASME Digital Journals, Conference Proceedings and ASME Press Books

Founded in 1880 as the American Society of Mechanical Engineers, ASME is the premier professional membership organization for more than 120,000 mechanical engineers and associated members worldwide. ASME also conducts one of the world's largest technical publishing operations in the world, offering thousands of titles including some of the profession's most prestigious journals, conference proceedings, and ASME Press books.

The ASME Digital Library is ASME's primary repository of current and archival literature featuring:

- * ASME **Transactions Journals** and **Applied Mechanics Reviews** from 1980 to the present.
- * ASME **Conference Proceedings** from 2002 to the present.
- * ASME **E-Books** selected from 1998 to the present. The eBook package includes about 50 of the newest volumes, published from 2006 through mid-2009, with up to 100 titles by 2011.

Today, the ASME Digital Library includes access to 24 Transactions Journals back to the year 2000. An archive option for 1980 until 1999 is also available.
