

Artech House eBooks Library

Delivered through the IEEE *Xplore*[®] Digital Library

IEEE has partnered with Artech House to bring a new collection of eBooks to the IEEE *Xplore* digital library

With approximately 735 titles dating back to 1999, Artech House eBooks provide today's professionals and students with cutting-edge data from the world's leading authorities. This collection provides essential information on a wide range of engineering areas with concentrated content applicable for students, researchers, and practicing engineers.

Artech House eBooks Library delivers key benefits:

- **Drive new ideas**, designs, and applications with cutting-edge research
- **Develop better solutions faster** by understanding the technology landscape
- **Accelerate innovation and patent development** with convenient access to proven research all in one place
- **Stay ahead of the technology curve** with the latest information, authored by leaders in the field
- **Increase productivity** by reviewing previous research without having to reinvent the wheel

Artech House eBooks Library content areas:

This collection of eBook titles emphasizes leading areas of research in engineering and technology, such as:

- Antennas and Propagation
- Bioengineering
- Communications
- Electromagnetic Analysis
- Electronic Warfare
- GNSS Technology
- Intelligence-Information Ops
- Microsystems
- Microwave and RF Engineering
- Photonics
- Power Engineering
- Radar
- Remote Sensing
- Security and Privacy
- Sensors
- Signal Processing
- Software Engineering and IT
- Solid State Technology
- Space Technologies
- Telemedicine/Health

Artech House eBooks Library

Delivered through the IEEE *Xplore*® Digital Library

Access respected technology research that generates results

IEEE *Xplore* includes top-ranked journals and technology research that is cited in patents three times more often than any other publisher. With approximately 5 million full-text articles and papers, IEEE *Xplore* is your gateway to more than 30% of the world's current literature in electrical engineering, electronics, and computing.

Find relevant research faster with powerful search tools

The Artech House eBooks Library is searchable in IEEE *Xplore* by title, keyword, or subject, which will return all titles and eBook chapters relevant to your query. Keyword or subject searching allows users to find the topic of interest easily, while a title search allows users to view an eBook title's home page.

Artech House eBooks Library sample titles:

IEEE *Xplore* also provides:

- Approximately 5 million documents in full-text PDF format, with more than three million in a robust, dynamic HTML format
- Multiple authentication options for on-site, remote, and mobile users
- Abstract/citation and bibliographic records for subscribed content
- Mobile-friendly design
- Daily content updates

About Artech House Publishers:

Artech House Publishers is an international press that has built a reputation among readers, authors, editors, and librarians worldwide as a source of trusted peer-reviewed publications in computer science and engineering among others. Artech House maintains close relationships with technical advisors in academia and industry throughout the world, and these advisors provide technical reviews and recommendations on every manuscript submitted.
